## A GLOBAL EDUCATION APPROACH

- Learn French (or English) at your pace in an international class.
- Choose from a range of sport and cultural activities in the afternoons and evenings.
- Room-share and live with teenagers of different nationalities, while respecting our collective and security agreements.

The international exchange experienced at CMEF contributes to fostering an open-minded perspective, preparing adolescents for a global future.

## IMMERSIVE LANGUAGE COURSES

- 15 students per class - 15 hours per week. French level assessment upon arrival.
- The teaching faculty are a group of experienced professionals with University diplomas specialised in teaching French to non-natives.
  - ▲ 8:45 a.m. to 10:15 a.m.: general French: development of written and a major focus on speaking skills
  - ▲ 10:45 a.m. to 12:15 a.m.: workshops for creative expression (theater, press and media, poem writing, French song...)
- Beginners: general French.
- Optional afternoon intensive French courses; allows reinforcement of language skills and for willing students, to prepare for and pass the TCF (an accreditation recognised by The French National Education body) at CMEF.
- A European Certificate of French Studies (European Council Layout) is awarded at the end of the stay, upon successful course completion.
- For French adolescents: English courses with native-speaking teachers.

## PREMIUM QUALITY SERVICE

- Our front desk team ensures guidance, information, and a warm welcome for everybody. The dorms offer a 3-5 bed set up, with en-suite bathroom facilities. Our self service cafeteria provides nutritious and balanced meals.
- Our certified youth leaders are on-hand 24/7. They manage the sport and cultural activities in the afternoons and evenings, supervise morning and night time calls and are attentive to the children's wellbeing around the clock.
- Our laundry service is provided weekly.

The campus is a secured natural 7-acre park monitored 24/7 by security professionals, where children can grow freely in complete tranquility.

## ACTIVE AFTERNOONS

- Cultural field trips in the French Riviera (Monaco, Nice, Menton)
- Sports activities set in Cap-d'Ail, Monaco and Nice (examples: catamaran, adventure parks, kayaking, tennis, paddle boarding, pools).

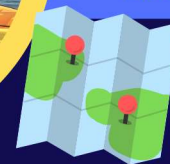

# THE CAMPUS EXPERIENCE FOR AN UNFORGETTABLE SUMMER

## DISCOVER THE FRENCH RIVIERA

On top of afternoon activities, a grand excursion is organised Saturday (examples: Cannes, Antibes, sweet-fragranced Grasse and more...)

## MAGICAL SUMMER NIGHTS

Sports tournaments, large-scale team games, French cuisine, visual arts, supervised trips to Monaco, spectacles at the amphitheater...
